

ABSTRACT

A method and system for providing a user with an album including a plurality of pages is disclosed. The method and system include allowing a user to purchase at least a portion of the album and allowing the user to set a plurality of defaults for the plurality of pages. The at least the portion of the album includes a portion of the plurality of pages. At least one default of the plurality of defaults is capable of being altered using information provided by the user. The method and system also include receiving from the user the information, if any, and receiving a plurality of images captured using a digital imaging device. The method and system also include altering the at least one default if the user has provided the information. The method and system also include providing a portion of the plurality of pages using the plurality of defaults and allowing the user access to the portion of the album.
